

## GENESIS 14; January 14; Abram Rescues Lot

### ANALYSIS:

1. The below-sea-level body of water today called the Dead Sea was the \_\_\_\_\_ in Abram's day.
2. Abram is called the \_\_\_\_\_ in the first occurrence of the word in the Bible.
3. Name the three Amorites who were confederate with Abram.  
\_\_\_\_\_
4. Melchizedek, king of \_\_\_\_\_, priest of the \_\_\_\_\_, met Abram with \_\_\_\_\_ and \_\_\_\_\_, and received \_\_\_\_\_ from Abram.
5. Abram refused to take any reward from Sodom's king lest the king say, "\_\_\_\_\_".

### THINGS TO THINK ABOUT:

Lot gets a "wake-up call" when he suffers capture by the army which sacks Sodom. (1) Would I recognize a "wake-up call" if the LORD should send one into my life? (2) Would I respond spiritually to such an effort from the LORD to correct and teach me?

Abram showed his gracious, generous and bold character in risking his own life to rescue Lot who was in trouble due to exposing himself to the ungodly in Sodom. How forgiving and helpful am I toward a truly repentant sinner (Lot was not such)?

"Melchizedek, 14:18-20, Priest-King of Salem (Jerusalem). Hebrew tradition says that he was Shem, survivor of the Flood, who was still alive, earth's oldest living man, priest, in the patriarchal age, of the whole race. Whomever he was, he was a picture and type of Christ (Psalm 110; Hebrews 5, 6, 7)." (Hally's Bible Handbook, p 97).
