THINGS TO THINK ABOUT:

Joseph was sold in humiliation into a very idolatrous nation when a teenager. He was exalted to be the second ruler in the midst of official idolatry. Pharaoh gave him a wife from the pagan priest's family. Yet we see no lapse in his faith in the LORD God of his fathers that he had come to know in his youth. Joseph tells Pharaoh that God will give Pharaoh an answer (vs 16, 25, 28, 32). Even Pharaoh recognized Joseph as indwelt by the Spirit of God (vs 38-39). Joseph honors God in naming his sons (vs 51-52). The LORD our God will also be with us in every place and circumstance!

We may not know what Joseph did to keep his trust in and consciousness of the presence of the LORD real and vital in his life. However, we do know there are several necessary spiritual exercises we need in walking with God. These will include but not be limited to the following. Read God's word daily, meditate on it, hide it in our hearts, talk with the LORD, ask the LORD to search us, confess and forsake all sins, set about to obey the known will of God. Are you?!
