### THINGS TO THINK ABOUT:

Jesus warned his hearers that the “queen of the south” [the queen of Sheba] who came “to hear the wisdom of Solomon,” would rise up in the judgment and condemn them because a greater than Solomon was speaking to them (Mt 12:42; Lu 11:31). Jesus said they were an evil generation for seeking a sign, when they should have humbly and eagerly believed His word and acted on it (Mt 12:29; Lu 11:29).

How do you and I approach our personal Bible reading and the public preaching of God's word? Let us sincerely seek the LORD for hearts like David's: “O how love I thy law! it is my meditation all the day!” Psalm 119:97.

We obviously need our own copy of the Bible, with which we become more and more familiar by continued use. We need to set reasonable goals for daily reading (time, place and number of verses/chapters) and prayer. Some have been strengthened spiritually by memorizing keys verses, marking words or verses in their Bible, keeping a notebook or journal of thoughts while reading and of sermon outlines and notes, writing out some verse or thought and posting it on a card for a day or longer, being sure to relate some thought or verse to another person that day even if by email.

2. Because He delighted in Solomon and set him on the throne of Israel, His love for Israel, He had made Solomon king to do judgment and justice (v 9).
